19th March 2020

Dear Parents/Carers

Following the recent announcement by the Prime Minister and the Secretary of State for Education, all schools within the Bishop Konstant Catholic Academy Trust will be closed to almost all pupils from the end of the school day on Friday 20th March 2020 until further notice.

As a Trust we have been working hard on our emergency plans and developed contingencies to be best prepared for this scenario.

As you may be aware, the Government made several very important decisions yesterday evening (18th March) about schools. There will be further detail to follow but I wanted to ensure you had as much information as possible as early as possible.

The first is that it has advised schools in England to close, except for certain groups of children, from this Friday afternoon (20st March) onwards as a further measure to prevent the spread of COVID-19. No date has been set for when schools will re-open for all students.

From Monday, the school will continue to be open for the following groups of students:

- Children whose parents are frontline workers – the Government has said these would include NHS staff, police and supermarket delivery drivers. However, others will be in this category and we expect to hear more from the Government on this in the coming days.

Please could you complete the Key Worker Notification, by clicking on the link below, if you think your child may fall into this category.

<https://tinyurl.com/wajd43d>

The notification form can also be accessed via the school website.

- Those classed as what the Secretary of State described as “vulnerable children”. These could be those who have a social worker and those with EHCPs.

If your child receives free school meals, the school will issue further information about how we will continue to provide this, with support from the Government scheme.

I hope you will recognise the difficult times schools and teachers now face. We are called on to provide emergency childcare at a time when many teachers’ first thought will be to remain with their families and children.

It is essential that we will all pull together to support our emergency services and key workers and you can do this by minimising your call on our limited reserves. Therefore, children who do not fall into the groups listed above should remain at home with appropriate care. There may also be partners who work from home or other non-elderly family members who could provide childcare support.

I must stress schools are closed for public health reasons and this childcare is an emergency measure only. Please support our staff and each other by respecting the need for key workers to have access to appropriate childcare at this time.

The second key announcement is that tests and exams will not take place this summer. For children and young people, who have worked so hard to prepare for their SATs, GCSEs or A levels, this may be upsetting, and we sympathise with them. At the same time, we understand the decision the Government has made and we are reassured that children's grades in GCSEs and A levels will be awarded on the basis of moderated assessment, in conjunction with the exam boards and Ofqual. This means that the hard work students have done will be rewarded. It may not feel quite the same, and nor is it, but they will receive grades that will progress them to the next stage of their lives.

In the meantime, I would once again like to take this opportunity to thank you wholeheartedly for your understanding and ongoing support in helping us to manage this unprecedented situation.

Yours sincerely,

Lesley Fitton
CEO
