**Communication to Staff: In Remembrance of Pope Francis**

Dear Colleagues,

It is with deep sorrow that we reflect on the passing of His Holiness, Pope Francis, who died on 21 April 2025.

Pope Francis led our Church with humility, courage, and a profound commitment to compassion, peace, and justice. His emphasis on caring for the environment, advocating for the poor, and promoting inclusivity has left a lasting legacy.

He was also a powerful advocate for the role of education in transforming lives and communities. Throughout his papacy, Pope Francis championed Catholic education as a force for good in the world — reminding us that to educate is not simply to teach, but to form hearts, inspire hope, and nurture the whole person.

Pope Francis' encyclical *Laudato Si'* has deeply inspired schools and pupils to come together in groups dedicated to caring for the environment. His call to protect "our common home" sparked a renewed sense of responsibility and action among young people in the BKCAT, rooted in faith and stewardship. With care for God's creation at the heart of his ministry, Pope Francis has left a profound and lasting impact on our school communities — encouraging a culture of environmental awareness, compassion, and collective responsibility.

As a Trust rooted in the Catholic faith, we give thanks for his leadership and the lasting contribution he made to our shared mission.

We encourage all schools to provide opportunities for students and staff to remember and pray for Pope Francis. This might include moments of silence, dedicated prayers, or classroom discussions about his contributions to the Church and to the world.

Let us join together in prayer:
*Eternal rest grant unto him, O Lord, and let perpetual light shine upon him. May he rest in peace.*

Yours sincerely,

L. Fitton
